## VERSE 1

**E**            **A**                    **Bsus**   **E**            **Esus**  
O little town of Bethlehem how still we see thee lie  
**E**                    **A**                            **Bsus**   **B**            **E**  
Above thy deep and dreamless sleep the silent stars go by  
(Add Bass and Acoustic)  
**C#m**                    **G#m**            **A**                    **G#m**  
Yet in thy dark streets shineth the everlasting Light  
**E**                    **A**                            **Bsus**   **B**            **(E)**  
The hopes and fears of all the years are met in thee to - night

## VERSE 2

**E**                    **A**                    **Bsus**   **E**            **Esus**  
For Christ is born of Ma - ry and gathered all above  
**E**                    **A**                            **Bsus**   **B**            **E**  
While mortals sleep the angels keep their watch of wondering love  
**C#m**                    **G#m**            **A**                    **G#m**  
O morning stars together proclaim the holy birth  
**E**                    **A**                            **Bsus**   **B**            **(E)**  
And praises sing to God the King and peace to men on earth
