

# Who Would Imagine a King

Hallerin Hilton Hill | Mervyn Warren

## INRO

**C F Am Em**

## VERSE 1

**C F Am Em**  
Mommies and daddies always believe,  
**F C/E Dm G**  
That their little angels are special indeed.  
**Am C/E Dm F**  
And you could grow up to be any - thing,  
**C F C F**  
But who would imagine a king?

## VERSE 2

**C F Am Em**  
A shepherd, or teacher is what you could be,  
**F C/E Dm G**  
Or maybe a fisherman out on the sea.  
**Am C/E Dm F**  
Or maybe a carpenter building things,  
**C F C**  
But who would imagine a king?

## BRIDGE

**Dm C/E Am**  
It was so clear when the wise men arrived,  
**Dm F C**  
And the angels were singing your name,  
**Dm F C Am**  
That the world would be different 'cause you were alive,  
**F Dm F G**  
That's what heaven stood still to proclaim.

## VERSE 3

**C F Am Em**  
One day an angel said quiet - ly,  
**F C/E Dm G**  
That soon you would bring something special and free,  
**Am C Dm F**  
And of all of the wonderful gifts there could be,  
**C F C/E Dm**  
Who would imagine, who could imagine,  
**C/E F C**  
Who would imagine a king?
